3. Click **Sign In**. The Dashboard loads.

Can't log in? Contact your manager — they will reset your password from the Staff Management panel.

SHUTTLE DISPATCH

Access: Operations → Shuttle → Today tab

Dispatching a New Pickup

- 1. Click **Shuttle** in the Operations section.
- 2. Click **+ New Pickup** (always visible at the top).
- 3. Fill in the dispatch form:

Field	What to Enter
Type	Arrival (guest coming to hotel) or Departure (guest going to airport)
Guest Name	Guest's full name
Room #	Guest's room number
Party Size	Use – and + to set number of people
Pickup Location	Arrival: select terminal. Departure: "Hotel Lobby" auto-fills
Drop-Off	Arrival: "Hotel" auto-fills. Departure: MIA / FLL / Port / Other
Requested Time	Time guest needs pickup (defaults to next hour slot)
Notes	Flight number, cruise ship, special instructions
Assign To	In-House Driver (dropdown) or Send Uber

- 1. Click **Submit** — pickup appears instantly in the hourly timeline.

Timeline Status Colors

Color	Status
AMBER	Pending — not yet assigned
BLUE	Assigned to driver
TEAL	En route / in progress

GRAY STRIKETHROUGH	Cancelled

Updating Shuttle Status

1. Find the shuttle card in the timeline.
2. Click **Mark En Route** when driver departs → card turns teal.
3. Click **Complete** when run finishes → card turns green.

Uber rides: Status updates automatically. No manual update needed. Share the Uber tracking link on the card with the guest if requested.

HANDLING GUEST REQUESTS

Access: Today → Requests tab

- 1. Click **Requests** — new requests appear in amber at the top.
- 2. Click a request card to open it.
- 3. Click **Acknowledge** — confirms you've seen it (card turns blue).
- 4. Click **Assign** and select the responsible staff member if needed.
- 5. After fulfillment, click **Complete** — card turns green, timestamped.
- 6. To message the guest: click **Message** → type reply → Send.

Icon	Request Type	Action

SUBMITTING KPIS

Access: Operations → KPIS → Front Desk

1. Click **KPIS** → select the **Front Desk** category tab.
2. Enter values for each metric (Check-In Wait Time, Upsell Conversions, etc.).
3. Click **Submit** — green checkmark confirms saved.

When: Submit KPIS at the end of your shift or when directed by your manager.

REPORTING A CALLOUT

Access: Callouts tab

1. Click **Callouts** in the left navigation.
2. Click **Report Callout**.
3. Fill in: Shift Date, Reason, Notes.
4. Click **Submit** — your manager is notified immediately.

⚠ **This does not replace calling your manager.** Always also call or text your direct supervisor per hotel policy. Attenda creates the official record; the phone call is the notification.
